

Blessed Trinity Catholic School Enhancement Program First Trimester Registration for 2017-2018

2017-2018 Middle School Students and Parents:

This school year, enhancement registration will be done differently than in the past. In an effort to take a look at the number of requirements and course offerings in order to give the students the most choice, novelty and excitement in the enhancement program, middle school staff will be meeting in August to determine the courses which will be available second and third trimester this year.

In light of that, students will ONLY be signing up for their first trimester enhancement class prior to the school year. During the month of September, students will receive another packet which will go home in a Friday Folder outlining any changes in requirements for enhancements during the three year period of middle school and what the course offerings will be for second and third trimester. At that time, they will sign up for those classes and receive their placements shortly thereafter.

This packet is an opportunity to register for a First Trimester Enhancement course of your choice for this school year. We ask that you discuss the options as a family, and return the registration form to us with both student and parent signatures by **Thursday, August 31, 2017**. We will notify you of your Enhancement course when school starts.

Please do not sign up for any classes you have already taken as you will be placed in one that is new unless there has been prior discussion with Mr. Boyle. On August, 31, from 5:00-7:00 PM is “Back to School Night” at the Nicollet Campus. This is a perfect time to turn in your enhancement form. Please place it in the box at the main table or bring it directly to Mr. Boyle’s room. If you can not make it, please mail the form to school, or drop it off for Mr. Boyle prior to August 31.

The maximum class size and the location of the class follow the course descriptions. If the course is at The Academy of Holy Angels, the teacher will meet your class the first day to direct you to the correct location. If the course is taught at Blessed Trinity, a Blessed Trinity teacher is teaching the course and will meet you the first day of class.

If you have any questions about Enhancements, please contact Mr. Boyle at boylej@btcsmn.org or call the school office at 612-869-5200.

Patrick O’Keefe, Principal

Jeff Boyle, Enhancement Coordinator

**Blessed Trinity Catholic School Enhancement Program
First Trimester Registration for 2017-2018**

These following course offerings are listed for the First Trimester. Please rank your choices in order of interest, with 1 being your first choice and 3 your last choice. This information will be utilized to help determine your Enhancement schedule for the First Trimester for 2017-2018. **Students entering 7th and 8th grade should NOT rank requirements that they have already taken.** Please be advised that we will do our best to give students their choice of courses. It is unlikely; however, that any student will receive all of his/her top choices. We will consider the requirements and class sizes while scheduling.

Trimester One
