19 THINGS TO GIVE UP FOR LENT THAT AREN'T CHOCOLATE

By Monsignor Keith Derouen

Fear: God is on my side. In Him I am more than a conqueror. (See Romans 98)

The need to please everyone: I can't please everyone anyway. There is only one I need to strive to please.

Envy: I am blessed. My value is not found in my possessions, but in my relationship with my Heavenly Father.

Impatience: God's timing is the perfect timing.

Sense of entitlement: The world does not owe me anything. God does not owe me anything. I live in humility and grace.

Bitterness and Resentment: The only person I am hurting by holding onto these is myself.

Blame: I am not going to pass the buck. I will take responsibility for my actions.

Gossip and Negativity: I will put the best construction on everything when it comes to other people. I will also minimize my contact with people who are negative and toxic and bring other people down.

Comparison: I have my own unique contribution to make and there is no one else like me.

Fear of failure: You don't succeed without experiencing failure. Just make sure you fall forward.

A spirit of poverty: Believe with God that there is always more than enough and never a lack.

Feelings of unworthiness: You are fearfully and wonderfully made by your creator. (see Psalm 139)

Doubt: Believe God has a plan for you that is beyond anything you could imagine. The future is brighter than you could ever realize.

Self-pity: God comforts us in our sorrow so that we can comfort others with the comfort we ourselves have received from God.

Retirement: As long as you are still breathing, you are here for a reason. You have a purpose to influence others for Christ. That does not come to an end until the day we die.

Excuses: A wise man once said, if you need an excuse, any excuse will do.

Lack of counsel: Wise decisions are rarely made in a vacuum.

Pride: Blessed are the humble.

Worry: God is in control and worrying will not help.
