

UNIFORM POLICY

Parents are expected to be the primary monitors of the uniform policy. Please help us by ensuring your child is in uniform each day.

Students are expected to be in full, correct uniform each school day. The classroom teacher will expect a note of explanation from the parent if the student is not in uniform.

CONSEQUENCES

Students who do not abide by the standards of the uniform policy will be given the following options:

1. Students will call home and have parents bring the appropriate uniform to school.
2. Students will be given a used uniform from the office to wear for the day.

Out of uniform days will occur at the discretion of the school principal and will be announced in advance. Attire for non-uniform days must be suitable and appropriate for school. Some inappropriate examples are t-shirts with inappropriate sayings, shirts that do not cover belly button or stomach areas or are too low cut, and pants that are torn or sized incorrectly. Pants that are too low on the hips (hip-huggers and low-rise pants) are not allowed.
